## President's Welcome

It is with great delight that I welcome you all tonight to WAOS JUNIORS production of JOSEPH AND THE AMAZING TECHNICOLOR DREAMCOAT. This sparkling family musical once again showcases our vibrant junior group members (8 to 16 year olds) as they continue to develop their acting and musical talents, in what many claim is the best of Tim Rice and Andrew Lloyd Webber musicals, which still continues to enjoy huge success on professional tours across the Country. In contrast to last Spring's "flying" production of PETER PAN our Juniors current presentation of this magical musical is full of unforgettable songs retelling the Biblical story of Joseph, his eleven brothers and the coat of many colours, I am sure you cannot but be amazed by his journey.

My sincere thanks are extended to all of the production team for their dedicated commitment to our Juniors group who continue to broaden their social, life and performance skills in providing a show that is nothing less than "Technicolor" - hope you agree?

Your support tonight is truly appreciated have an enjoyable evening.

## The Story

The Biblical saga of Joseph and his coat of many colors comes to vibrant life in this delightful musical parable. Joseph, his father's favorite son, is a boy blessed with prophetic dreams. When he is sold into slavery by his jealous brothers and taken to Egypt, Joseph endures a series of adventures in which his spirit and humanity are continually challenged. He is purchased by Potiphar where thwarting advances from Potiphar's wife lands him in jail. When news of Joseph's gift to interpret dreams reaches the Pharaoh (wryly and riotously depicted as Elvis), Joseph is well on his way to becoming second in command. Eventually his brothers, having suffered greatly, unknowingly find themselves groveling at the feet of the brother they betrayed but no longer recognize. After testing their integrity, Joseph reveals himself leading to a heartfelt reconciliation of the sons of Israel. Set to an engaging cornucopia of musical styles, from country-western and calypso to bubble-gum pop and rock 'n' roll, this Old Testament tale emerges both timely and timeless.
