Chairman's Welcome

I welcome you all tonight to WAOS Juniors production of Peter Pan the Musical.

This enchanting musical showcases our vibrant and talented Junior group members (8 to 16 year olds) along with some adult performers (previously part of our Juniors) all developing their social, life and performance skills, whilst providing enjoyment.

Peter Pan the Musical was first performed by the Society in 1998 with many of the original Juniors cast now working as part of the current production team, to whom I extend my special thanks for their commitment and dedication.

Your attendance and support is truly appreciated.

Enjoy your evening with us.

The Story

All of the ever-popular characters are here - Peter Pan and Wendy, her brothers John and Michael, their parents Mr Darling and Mrs Darling, the dastardly Captain Hook and his sidekick Smee, Indian Chief Tiger Lily, the Lost Boys, Pirates, Indians and Nana the pet dog.

The Darling Family: Wendy, John and Michael are taken to Neverland by Peter Pan, where he and his Lost Boys want Wendy to be their Mother. However the evil Captain Hook also wants Wendy to be the mother to his gang of Pirates, he plots an evil plan to kill Peter, kidnap the boys and make Wendy the Pirates mother. His plan fails however and Peter Pan is not killed and helps the Lost Boys escape. They do away with the Pirates and Wendy takes the Lost Boys home to live with her and promises to visit Peter every year.
